

McGuire Nuclear Power Station Emergency Response Plan
ANNEX B - ABBREVIATIONS
June 2001

ABBREVIATIONS

AC	-	Alternating current
AUTOVON	-	Automatic Voice Network
cc	-	Cubic Centimeters
FNARS	-	FEMA National Radio System
CEDE	-	Committed Effective Dose Equivalent
Cfm	-	Cubic feet per minute
CFR	-	Code of Federal Register
Ci	-	Curie
CPCS	-	Common Program Control Station
DC	-	Direct current
DCCPS	-	Department of Crime Control and Public Safety
DCI	-	Division of Criminal Information
DENR	-	Department of Environment & Natural Resources
DHR	-	Department of Human Resources
DRP	-	Division of Radiation Protection
DOE	-	Department of Energy (U. S.)
DOT	-	Department of Transportation (N. C.)
DRP	-	Division of Radiation Protection
EAN	-	Emergency Action Notification
EAS	-	Emergency Alert System
ECCS	-	Emergency Core Cooling System
EDT	-	Eastern Daylight Time
EM	-	Division of Emergency Management
EMS	-	Emergency Medical Services (DHR)
EMT	-	Emergency Medical Technician
EOC	-	Emergency Operations Center
EPA	-	Environmental Protection Agency (U. S.)
EPZ	-	Emergency Planning Zone
EST	-	Eastern Standard Time
et seq.	-	and the following
FDA	-	Food and Drug Administration (U. S.)
FTS	-	Federal Telecommunications System
Gpm	-	Gallons per minute
G.S.	-	General Statutes of the State of North Carolina
IRAP	-	Interagency Radiological Assistance Plan
JCAH	-	Joint Commission on Accreditation of Hospitals
JIC	-	Joint Information Center
KI	-	Potassium Iodide
LOCA	-	Loss of cooling accident
Mci	-	millicurie
Mph	-	Miles Per Hour

McGuire Nuclear Power Station Emergency Response Plan
ANNEX B - ABBREVIATIONS
June 2001

MDL	-	Minimum detectable level
MR	-	Milliroetgen
NAWAS	-	National Warning System
NCWRC	-	North Carolina Wildlife Resources Commission
NCDA	-	North Carolina Department of Agriculture
NCGS	-	North Carolina General Statutes
NOAA	-	National Oceanic and Atmospheric Administration
NRC	-	Nuclear Regulatory Commission (U. S.)
NWS	-	National Weather Service
PA	-	Public Address
PAG	-	Protective Action Guides
PIO	-	Public Information Officer
PL	-	Public Law
RAP	-	Radiological Assistance Plan
RM	-	Radiological Monitor
RP	-	Division of Radiation Protection Section (DENR)
SERT	-	State Emergency Response Team
SHP	-	State Highway Patrol
SBI	-	State Bureau of Investigation
SMRAP	-	Southern Mutual Radiological Assistance Plan
SSS	-	Selective Signaling System
TEDE	-	Total Effective Dose Equivalent
TLD	-	Thermoluminescent dosimeter
VAC	-	Volts, alternating current
VDC	-	Volts, direct current
WB	-	Whole Body
WPM	-	Words per Minute
